Our NEW Patient Portal is HERE!!!!

Patients are now able to access their electronic medical records, communicate with our office and other features through our NEW, SECURE “Patient Portal”!

To participate, please provide us with your e-mail address so we can send you the link and temporary password to register!

Patient’s Name: _____
Please PRINT

E-Mail Address: _____

Once you receive your link, please follow the instructions and set up your account.

We hope this enhancement to our office services will assist you in better communication with our staff and providers.

If you have any questions or need assistance, please let us know!

We are always happy to be of assistance to our patients!!!!
